

Ryan's Magneto Service: Cost Sheet

Basic service - Starting at \$65.00 - Includes:

- Set up and test magneto on service bench
- Test, clean, adjust points
- Test condenser
- Inspect rotor
- Inspect bearings/bushings
- Test the coil for breakdown
- Inspect cap
- Inspect drive member
- Inspect lag angle
- If any parts do not meet proper spec, I will replace for an additional cost. Before replacing, I will contact you with a quote. I will only continue once I receive your approval.

Additional services:

- ❖ Rush services (moves your project to the front of the line) - \$60.00
- ❖ Custom spark plug wire sets - Price Varies
- ❖ Complete tear down (AKA "make pretty") - Call for price - Includes the following:
 - Bead blast housing and drive member
 - Polish or paint housing
 - Replace bearings and bushings
 - Recharge magnets
- ❖ Carburetor Repair/Rebuild - Call for price - Includes the following:
 - Bead blast housing
 - Polish or paint housing
 - Replace parts out of spec
- ❖ Generator Repair/Rebuild - Call for price - Includes the following:
 - Set up and test generator on service bench
 - Bead blast housing
 - Paint housing
 - Replace parts out of spec

Shipping charges and taxes are not included and will be added to your total.

All work has a one year guarantee, unless otherwise noted. Magnetos must only be used with copper ignition cable. Use of any other type of ignition cable will Void the Warranty.

We make custom copper core spark plug wire sets that match your original equipment!
